**REVOCATION OF POWER OF ATTORNEY UNDER 37 C.F.R. § 1.36
AND POWER OF ATTORNEY UNDER 37 C.F.R. § 1.34 and CHANGE OF
ADDRESS**

Commissioner for Patents
Washington, DC 20231

Dear Sir:

The undersigned, American Medical Systems International, Inc. is the assignee of the entire right, title, and interest in the above-identified application, as recorded for the parent application in the United States Patent and Trademark Office at Reel 011379, Frame 0772. The assignee hereby revokes all powers of attorney previously given, and appoints the following attorney to prosecute and transact all business in the U.S. Patent and Trademark Office connected therewith: Jeffrey J. Hohenshell, Reg. No. 34,109. The assignee requests that correspondence with respect to this application be directed to:

Jeffrey J. Hohenshell
American Medical Systems
10700 Bren Road West
Minnetonka, Minnesota 55343
Ph: 952 930 6135
Fax: 952 930 6503

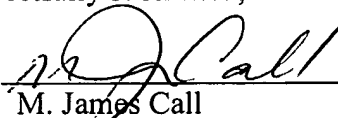

Under 37 C.F.R. § 3.73 (a), I hereby state that I have reviewed the attached recorded assignment and, to the best of my knowledge and belief, title is in American Medical Systems International, Inc.'s name. I am empowered to act American Medical Systems International, Inc.'s behalf in this matter.

RECEIVED
JAN 6 2002

OC: 121539 v01

INTELLECTUAL PROPERTY TRANSFER AGREEMENT

THIS INTELLECTUAL PROPERTY TRANSFER AGREEMENT, is made and entered into effective as of November 15, 2000, by and between American Medical System International, Inc., f/k/a Influence, Inc., a Delaware corporation ("AMS International"), and Influence Medical Technologies Ltd., an Israeli company and wholly owned subsidiary of AMS International ("IMT").

A. IMT has conceived and reduced to practice, either actually or constructively, certain inventions that are embodied the patents and patent applications listed on Exhibits A and B.

B. IMT prosecuted and is the record owner of the patents and patent applications listed on Exhibit A.

C. AMS International prosecuted the patents and patent applications listed on Exhibit B in its former name of Influence, Inc. for the benefit of IMT pursuant to the Services Agreement, dated January 1, 1996, between AMS International and IMT.

D. IMT is indebted to AMS International in the amount of \$35,794,714.72 as of October 28, 2000 (the "Indebtedness").

E. IMT desires to assign its interest in the patent and patent applications listed on Exhibits A and B and all related trade secrets, know-how and other proprietary rights to AMS International in consideration for forgiveness of a portion of the Indebtedness.

F. Based on an independent valuations conducted by KPMG LLP and Ernst & Young LLP and other relevant factors, the parties believe the value of the patent and patent applications listed on Exhibits A and B and all related trade secrets, know-how and other proprietary rights is \$23,500,000.

In consideration of the foregoing and the mutual promises and covenants contained herein, the parties agree as follows:

1. Assignment of Intellectual Property Rights. IMT hereby assigns to AMS International all of its right, title and interest in and to (a) the patents and patent applications listed on Exhibits A and B and any patents that issue on such patent applications, including any ancestors, continuations, continuations-in-part, divisionals and reissues thereof and any corresponding foreign patent rights (the "Patent Rights"), and (b) all trade secrets, know-how and other proprietary rights related to the technology associated with the Patent Rights, (all of the foregoing are collectively referred to as the "Intellectual Property Rights"), free and clear of all liens, security interests, claims or other encumbrances of any character whatsoever (collectively "Encumbrances").

2. Recordal of Assignment. Upon the reasonable request of AMS International, IMT agrees to execute the required formal papers necessary to perfect the assignment of rights of Section 1, including but not limited to, the execution of assignment documents in the form required for recordation in the relevant governing office.

3. Purchase Price. In consideration for the assignment of the Intellectual Property Rights, AMS International hereby forgives and forever discharges and releases \$23,500,000 of the Indebtedness.

4. Representation and Warranties of IMT IMT hereby represents and warrants to AMS International as follows:

4.1. Incorporation. IMT is a company duly organized and validly existing under the laws of the State of Israel.

4.2. Valid and Binding Agreement. This Agreement is the valid and legally binding agreement of IMT enforceable against IMT in accordance with its terms, except as may be limited by bankruptcy, insolvency or other laws affecting generally the enforceability of creditors' rights or as may be modified by a court of equity in an action for specific performance or other equitable relief.

4.3. Title. IMT is the sole and exclusive owner of the Intellectual Property Rights, free and clear of all Encumbrances, except to the extent that the Patent Rights listed on Exhibit B are owned of record by Influence, Inc. IMT has not assigned, transferred or granted to any third party any rights to the Intellectual Property Rights.

4.4. No Conflicts. Neither the execution and delivery of this Agreement nor the compliance with the terms and conditions hereof will conflict with, result in a breach or violation by IMT of or constitute a default under any of the terms, conditions or provisions of any contract, agreement or other instrument to which IMT is bound.

5. Representation and Warranties of AMS International. AMS International represents and warrants to IMT as follows:

5.1. Incorporation. AMS International is a corporation duly organized and validly existing under the laws of the State of Delaware.

5.2. Valid and Binding Agreement. This Agreement is the valid and legally binding agreement of AMS International enforceable against AMS International in accordance with its terms, except as may be limited by bankruptcy, insolvency or other laws affecting generally the enforceability of creditors' rights or as may be modified by a court of equity in an action for specific performance or other equitable relief.

5.3. No Conflicts. Neither the execution and delivery of this Agreement nor the compliance with the terms and conditions hereof will conflict with, result in a breach or violation by AMS International of or constitute a default under any of the terms, conditions or provisions of any contract, agreement or other instrument to which AMS International is bound.

6. Miscellaneous.

6.1. Notices. Notices required or permitted hereunder will be in writing and will be sent to the addresses set forth above, by U.S. mail, personal delivery or facsimile and will

be deemed given on the earlier of (a) when delivered to a party, or (b) three days after mailing by prepaid first class mail.

6.2. Validity of Provisions. Severability. If any provision of this Agreement is or becomes or is deemed invalid, illegal or unenforceable in any jurisdiction, (a) such provision will be deemed amended to conform to applicable laws of such jurisdiction so as to be valid and enforceable or, if it cannot be so amended without materially altering the intention of the parties, it will be stricken, (b) the validity, legality and enforceability of such provision will not in any way be affected or impaired thereby in any other jurisdiction, and (c) the remainder of this Agreement will remain in full force and effect.

6.3. Nonwaiver of Rights. No failure or delay on the part of a party in exercising any right hereunder will operate as a waiver of, or impair, any such right. No single or partial exercise of any such right will preclude any other or further exercise thereof or the exercise of any other right. No waiver of any such right will be effective unless given in a signed writing. No waiver of any such right will be deemed a waiver of any other right hereunder.

6.4. Governing Law. This Agreement has been negotiated and entered into in the State of Minnesota, will be deemed to be a Minnesota contract, and will be governed by the laws of Minnesota as to interpretation and performance.

6.5. Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed an original and all of which will constitute together but one and the same document.

6.6. Entire Agreement. Modifications. This Agreement including the Exhibits attached hereto sets forth the entire agreement of the parties with respect to the subject matter hereof, all prior and contemporaneous oral and written discussions and understandings are superseded. This Agreement may not be modified except by a writing signed by all parties hereto.

[signature page follows]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.
